

MAGNESIA

MINERAL COMPOUNDS

**Your specialist for
Nutritional and
Health Supplements**

Mineral compounds for your nutritional supplements – qualified, audited, certified

MAGNESIA raw materials are suitable for all forms of nutritional supplement products e.g. tablets, capsules, sticks, energy bars, effervescent tablets or isotonic sports drinks. For your products and areas of application, you can choose from our broad portfolio of organic and inorganic minerals in various particle structures and bulk densities. You further benefit as

we are auditing suppliers for you and maintaining high quality standards safeguarded by an internal product monitoring program. MAGNESIA is certified according to GDP, HACCP and DIN EN ISO 9001 and provides you with high quality mineral compounds.

Your MAGNESIA advantage

- ✓ Unique portfolio
- ✓ MAGNESIA owned warehousing with short lead times
- ✓ Individual customer service on logistics and documentation
- ✓ Selected and qualified suppliers
- ✓ Personal advice and technical support
- ✓ Wide international network

MAGNESIA Essentials

MAGNESIUM INORGANICS

Magnesium carbonate	Magnesium oxide
Magnesium chloride	Magnesium phosphate
Magnesium hydroxide	Magnesium sulfate

MAGNESIUM ORGANICS

Magnesium ascorbate	Magnesium lactate
Magnesium aspartate	Magnesium malate
Magnesium citrate	Magnesium pidolate
Magnesium gluconate	Magnesium stearate
Magnesium glycerophosphate	Magnesium taurate

POTASSIUM

Potassium carbonate	Potassium citrate
Potassium bicarbonate	Potassium phosphate
Potassium chloride	Potassium stearate

CALCIUM INORGANICS

Calcium carbonate	Calcium oxide
Calcium chloride	Calcium phosphate
Calcium hydroxide	Calcium sulfate

CALCIUM ORGANICS

Calcium citrate	Calcium lactate
Calcium gluconate	Calcium pidolate
Calcium glycerophosphate	Calcium stearate

SODIUM

Sodium ascorbate	Sodium chloride
Sodium bicarbonate	Sodium citrate
Sodium carbonate	Sodium sulfate

MAGNESIA Exclusive

DC GRADES

MagChel®

Calcium carbonate, DC (with or without binder)	Magnesium citrate, DC
Calcium citrate, DC	Magnesium hydroxide, DC
Calcium phosphate, DC	Magnesium lactate, DC
Magnesium carbonate, DC	Magnesium oxide, DC

CHELATES

MagGran®

Calcium bisglycinate	Magnesium bisglycinate
Copper bisglycinate	Manganese bisglycinate
Ferrous bisglycinate	Zinc bisglycinate

MINERAL YEAST

Chromium yeast	Selenium yeast
----------------	----------------

VITAMINS

RiviK2 oil	Nutra-C
RiviK2 powder	Vitamin B

TRACE ELEMENTS

Copper gluconate	Manganese gluconate
Copper sulfate	Manganese sulfate
Ferrous fumarate	Zinc citrate
Ferrous gluconate	Zinc gluconate
Ferrous lactate	Zinc oxide
Ferrous sulfate	Zinc picolinate
L-OptiZinc	Zinc sulfate

MAGNESIA – your specialist for **mineral compounds with a wide range of applications**

As a supplier of high-quality mineral compounds, MAGNESIA stands for innovative and service-oriented solutions. For more than 35 years, we have been supplying mineral raw materials to manufacturers of food, cosmetics and pharmaceuticals, as well as users of technical applications. We supply our customers individually, reliably and quickly.

Our hygiene management complies with the principles of HACCP.

Our quality management is certified according to DIN EN ISO 9001.

We are GDP certified for the trade of active ingredients for the manufacture of pharmaceuticals for human use.

MAGNESIA is GDP, ISO and HACCP certified. The quality of all processes is ensured by our ISO 9001-based quality management system. Our HACCP system ensures that raw materials supplied by us are compliant for the use in food manufacturing. We are audited regularly by the regulatory authorities for the distribution of active pharmaceutical ingredients for human use (GDP). In addition, we are registered as a wholesaler of feed for pets and farm animals at the Lower Saxony State Office for Consumer Protection and Food Safety.
